

# **Getting the good bugs: Insectaries and hedgerows in vineyards**

*A workshop for vineyard professionals*

**Tuesday, June 22, 2010  
9 am – 12 pm**

**Robert Mondavi Vineyards, Creekside Office Building**  
Walnut Lane, Oakville  
(turn north from Walnut Lane approximately 3000' west of HWY 29)

## **Workshop Agenda**

- Guided tour through nearby insectaries
- Discuss planning, locating, and installing insectaries with local experts
- Learn about benefits that insectaries provide to vines and the ecosystem, and more!

**Space is limited for this free workshop.**

**RSVP to Frances at [frances@naparcd.org](mailto:frances@naparcd.org) or 707-252-4188 x120**
