

# Healthy Horses, Healthy Watersheds

*A free workshop for those that care for horses,  
pastures, and barns*

Saturday, January 9, 2010

9 am - 12 pm

Napa Valley Horsemen's Association Clubhouse  
1200 Foster Road, Napa

Learn and share horsekeeping strategies that promote  
healthy horses and healthy watersheds

## Topics of discussion:

- Preventing soil erosion and compaction
- Managing manure and turning it into a commodity
- Controlling pasture weeds
- Keeping run-off clean and safe
- How horses and watersheds are connected
- Your questions and experiences

## Featured speakers:

Phill Blake, USDA Natural Resource Conservation Service

Jeff Creque, McEvoy Ranch, West Marin Compost Coalition, Marin Carbon Project

Morgan Doran, UC Cooperative Extension

Leigh Sharp, Napa County Resource Conservation District

NAPA COUNTY  
**RCD**

**Workshop is free. RSVP required.**

Call (707) 252-4188 x120 or email [frances@naparcd.org](mailto:frances@naparcd.org)

This workshop is organized by the Napa County Resource Conservation District, Napa Valley Horsemen's Association, and Napa County Livestock Council, with funding from the California Department of Conservation.
